SPIN – Group indoor cycling workout where you control the intensity. It’s fun, low impact and burns loads of calories. - Bookings are essential.

Les Mills Pump – Features 10 tracks with each focusing on a different muscle group, using barbells, weight plates and body weight.

Functional - A full body workout that combines cardio, free-weights and body-weight movements designed to increase strength and burn fat

Boxing – A cardiovascular class based on the training used for boxing. It can be done with a partner using pads and gloves or solo using dumbbells.

Strength – Strength based class using weight plates. The focus is to build muscle and learn correct form. Utilising methods of resistance training such as controlled movements, pauses, time under tension and more.

Full Body Workout – 30 minute indoor or outdoor high calorie burning class. A mix of interval and strength training.

Teen Gym – Specially designed group fitness class for teens aged 11-15 years, providing an introduction to the gym floor and fitness.

HIIT – High Intensity Interval Training with minimal rest periods.

Aqua – A low impact but high intensity water aerobics class designed to improve flexibility, range of motion, strength and cardiovascular endurance.

Yoga – Yoga focuses on the alignment of the whole body whole holding poses that support the spine and bring awareness of breath with movement.

Stretch – A gentle stretch class for all levels of flexibility.

FAMFIT – A family-based fitness class, where children of all ages are welcome, alternating between strength and cardio workouts, where the kids can get involved or do their own thing while the adults get in a killer workout.

Circuit – High energy and fast-paced, move your way around different exercise stations, performing each exercise as many times as possible in a set time.

Gold Classes – Best-suited for over 55s age group but open to everyone!

HIIT/Pilates Combo – 30 minutes HIIT workout followed by 30 minutes of improving flexibility and strength through controlled movements

Platform – A new HIIT exercise class using bodyweight and a step. Using principles of high intensity interval training, this class is sure to satisfy all.
